In October 2021, TikTok announced that it would be removing all adult-themed content from the app. Furthermore, machine learning is now being used to detect and remove inappropriate content such as nudity or excessive violence.",

On March 1, 2021, the company announced a new update that would provide guided videos for users to help build up their skills. These videos can be aimed at specific topics such as "how to rap", "how to dance" or "how to do stunts". The app also announced a feature called 'Move Star' in which users can choose from different avatars or characters and then control how they move or react when they get other users to follow them.",

Another article by The Guardian reported that "TikTok's team has a proven track record of transparency — it makes its internal rules public and allows users to report objectionable content. But a separate warning highlighted by the PwC report warns that "zero tolerance policies require that users take action against unacceptable behaviour, which may lead to removal of your account". The policy also outlines what is and isn't acceptable.";

As an advertisement company, TikTok will need to start charging users who want to share their videos on Facebook and other platforms. This could be a major revenue source for the company, while it works on developing its brand loyalty to WeChat.",

One of the features that differentiated TikTok from other short-video sharing platforms at the time was its focus on lip syncing. The feature was made available to all users and is only available when recording videos; users have the option of turning off the feature if they wish to.",

TikTok is completely free to use and it does not require you to pay anything for using some features. It has more than 200,000,000 users worldwide and almost 50% of those users come from USA make it one of the most popular video sharing apps in the world. There are many website where you can download or share your videos on TikTok easily like Yahoo Video, Vimeo, YouTube etc.",

tiktok likes and views

In another article published in the U.S., it was alleged that "TikTok is used by some adults as well as children, but it is designed for teens. It's intended to be a fun way to make friends and stay connected with friends and family. But because it's designed for teens, the app often turns into a platform for bullying." This article was published on The Houston Chronicle.",
